

Dear Friend and partner,

IBF is a Charitable Organization which fosters school success and livelihood for visually impaired children by easing their access to relevant technology. We envision an integrated world with unlimited opportunities for visually impaired children focusing on their abilities.

OUR PROGRAMS

Sponsor A Child

The sponsor a Child aims to create sustainable funding to visually impaired children in need through individual support. We invite Individuals and organizations to sponsor a child's education, medical ,and developmental needs to ensure that they receive quality education, assistive technology and specialized support.

Blind Children's Centre

Blind Children's center is an initiative to provide a hub where visually impaired children can access educational services, healthcare, assistive technology and guidance for them and their families.

Disability Is Not Inability (DINI) Awards

DINI Awards celebrate the incredible accomplishments by persons with disabilities in Uganda and reward those individuals and institutions that inspire change towards their inclusion. The 2025 awards will include open voting to increase participation, reduce stigma, and raise awareness about the many contributions PWDs can make to society...[READ MORE](#)

ACKNOWLEDGEMENT

We are incredibly grateful to all the partners, sponsors, and stakeholders who contributed to the success of the inaugural DINI Awards. Your support and commitment was essential in launching what will become a greater annual event celebrating the achievements and impact of Persons with Disabilities.
